## RESOLUTION.

*Calcutta, the 15th February 1900.*

RESOLUTION.—By Act XXII of 1899 gold coins, whether coined at Her Majesty's Royal Mint in England, or at any Mint established in pursuance of a Proclamation of Her Majesty's Government as a branch of Her Majesty's Mint (sovereigns, half-sovereigns, two-pound pieces and five-pound pieces), have been declared legal tender in India at the rate of R15 to the sovereign. The effect of this is that any person who owes a payment to Government, or to any one, may at his option pay in such gold coin at that rate.

2. Instances have, however, been brought to the notice of the Government of India where a Government Department has, through misapprehension, refused to accept sovereigns as required by law; the Government of India therefore desire that instructions be issued to ensure the acceptance of gold coin at the rate prescribed by law in all payments due to the Government, as, for example, by Railways in payment of fares and freight, by Government Departments in payment of customs and other taxes and dues; by the Postal and Telegraph Departments; and by Municipalities, Port Trusts, and other Local Bodies.

---

ORDER.—Ordered, that this Resolution be communicated to all Local Governments and Administrations; to the several Departments of the Government of India; and to the Heads of Departments under this Department.
